BIRTHDAY PARTIES

MEGA FUN 4 KIDS
INDOOR PLAYGROUND

It is your child's birthday;

you should be celebrating TOO. In the past you may have felt overwhelmed with, planning, organizing, and shopping, not to mention cleaning before and after the party.

MegaFun 4 Kids offers a "stress-free" solution for throwing a memorable children's birthday party. Working closely with our Party Consultants you can relax and be assured that MegaFun 4 Kids will plan the perfect party all your guests will enjoy. We take care of everything from invitations to food to loot bags. We even close the playground to the public so you have our entire facility for your party.

Your younger guests will enjoy the open space and freedom to play. Our giant pirate ship is a favourite with all kids. Here they can captain the ship, "slide the plank", and mess about with the rest of the crew, in an exciting underwater setting.

Our indoor playground also features:

- a Reading Area
- a Costume Corner
- a Ball Pit
- a Nursing Station
- an Infant Play Area
- Riding Toys

We have three different Birthday Packages. Work with our Party Consultant to choose which package best suits your taste. To accommodate all of your needs we also offer "Birthday Extras" which you may choose from to create a completely customized birthday party. Our Party Consultants are here to make your event unique, fun, and special.
